SAFE ENVIRONMENT SESSION

In the pastoral effort to respond to a heightened need for the protection of our children, the Diocese of Lafayette has developed "A Safe Environment for the Protection of Children and Young People" program. As part of this program, all children in grades K through 12 in our Religious Education (CCD) Programs will be participating in an education session relating to child abuse and prevention. By registering your child in our religion program parents are automatically giving consent for their child to take part in this safe environment session.
